Dear Peter and Claire,

First of all, a very happy Christmas and all the best for the New Year to you and the children. **2**
We hope you're all well **3** and that we'll see you again. It seems ages since we last met up.

We've had a very eventful year. Last summer Gavin came off his bike and broke his arm and collarbone. Kathy scraped through her A Levels and is now at Sussex doing European Studies. Poor Tony was made redundant in October and is still looking for a job.

Do come and see us next time you are over this way. Just give us a ring a couple of days before so we can fix something.

All best wishes

Tony and Ann
