Dear Mrs Hemmings **1**,

Many thanks for your letter and kind invitation.

Since I don't have anything fixed yet for the summer holidays, I'd be delighted to come. However I mustn't be away for more than four or five days since my mother hasn't been very well.

You must let me know what I should bring. How warm is it in North Wales? Can you swim in the sea? Camping is fine as far as I'm concerned, we take our tents everywhere.

Looking forward to seeing you soon.

Yours **2**,

Luis
