*My dearest Victoria,*

*I was so shocked to hear of Raza's death. He seemed so well and cheerful when I saw him at Christmas time. It is a terrible loss for all of us, and he will be missed very deeply. You and the children are constantly in my thoughts.*

*My recent operation prevented me from coming to the funeral and I am very sorry about this. I will try to come up to see you at the beginning of July, if you feel up to it. Is there anything I can do to help?*

*With much love to all of you  
from*
